QUIRKY ELEGANCE

ANTWERP, BELGIUM

The two most recurring sights in Antwerp are the works of local sculptor Peter Paul Rubens and hands, which adorn everything from the town flag to the local Belgian chocolates. For an explanation of the hands symbol, head to the Brabo Fountain in Grote Markt Square, where you will see the town's local legend depicted in a beautiful sculpture. Absorb Antwerp's old-world grandeur and contemporary cool in cobble, 18th century alleyways or on a drive past the Belle-Epoque architecture of historic Cogels-Osyle.

CLASSICAL PERFORMANCE IN PRCANJ & KOTOR WALKING TOUR

KOTOR, MONTENEGRO

Sail to glorious Our Lady's Temple in nearby Prcanj for a classical music concert and revel in an enlightening walking tour through Kotor's medieval walled city, a UNESCO World Heritage site. Cruise along the fjord-like Bay of Kotor, also known as Boka Bay, to Peruni, nestled at the foot of a mountain and steeped in maritime history. You'll proceed to magnificent Our Lady's Temple, an atmospheric Baroque-style church built over a span of 120 years. Marvel at the Corinthian and Doric columns that adorn the facade, the stately double staircase at the entrance and the two rare, gilded altars that are considered masterworks. Rejoice in stirring performances of musical selections that reflect Montenegro's cultural influences. Following a delicious seafood lunch in Peruni, you'll return by boat to Kotor and experience a leisurely walking tour within the architecturally significant Old Town. Visit the striking Romanesque Cathedral of Saint Tryphon, one of the largest and most revered buildings in Kotor, and the Arms Square, so named because munitions were made and stored here when the city flourished under Venetian rule.

MYKONIAN SEAFOOD TREASURES

MYKONOS, GREECE

Dine at a waterfront restaurant on Paraga Beach, an ideal setting to savour signature seafood of Mykonos. On the way there, you will pass through the naturally beautiful landscape that is so representative of Mykonos. Upon reaching Paraga, the island's southernmost beach, you will settle in at Tasso Tavern, which overlooks a lengthy stretch of white sand and the turquoise waters of the Aegean Sea. It has become a dining institution of sorts, having opened in 1962. The large island that you will see on the not-too-distant horizon are Paros and Naxos. The waters surrounding Mykonos yield an abundance of fish, squid and mussels, some of which may be on the lunch menu. A mix of grilled sardines seasoned with olive oil and lemon juice might also be served. To complement the meal, you will enjoy wines that pair perfectly with the dishes.

QUINTA DE SANTANA WINE TASTING
 LISBON, PORTUGAL

Visit a working farm and family wine estate where you will enjoy an inspired tasting of its most characteristic miss. Quinta de Santana has been producing wine since its founding in 1630, but the winery was neglected toward the end of the last century. Once the present owners took over its operation, Quinta de Santana once again flourished as a winery and an organic flower farm. During the tasting, you will discover how the vineyards were revitalised, how the grapes are grown and how the terror affects the various wines. The red vines are planted in the steep upper slopes while the whites are found at the foot of the slopes. You may sample at least one of each or perhaps a rosé blend made with merlot, touriga nacional and aragonez grapes. Before and after the tasting, you will enjoy a panoramic driving tour through Lisbon with a photo stop at the Belém Tower.

**HIGHLIGHTS OF LUCCA
CINQUE TERRE (LA SPEZIA), ITALY**

Experience compelling Tuscan art and history on this guided walking tour of scenic and off-the-beaten-path Lucca. Upon arrival in this quaint city, founded in 180 BC by the Romans, you'll walk along the town's massive red-brick walls, built between 1504 and 1645 and among the best-preserved Renaissance defences in Europe. Admire the Piazza Anfiteatro, once the Roman amphitheatre and today a charming elliptical square surrounded by semi-coloured houses. Visit the extraordinary Duomo di San Martino, a cathedral that holds exquisite paintings by Tinoretto and Ghirlandajo as well as the Volto Santo, a 13th-century wooden effigy believed by medieval pilgrims to have been carved by Christ's follower Nicodemus at the time of the Crucifixion. Conclude your tour with time at your leisure, perhaps browsing for handicrafts along Via Fillungo, the town's principal shopping street, or continuing your exploration of unspoiled and magnetic Lucca.
